Subject : Proposed new Pav. home page with the comment period deadline's new Jan. 15 date:

On this test page:
<http://wcmsprd-dev-staging4.epa.gov/region8/superfund/wy/pavillion/>

I changed the words "October 16, 2012" to "January 15, 2013."

Also, when you click on the words "Federal Register Notice announcing extension of public comment period," you are now taken to this page:
<http://www.regulations.gov#!documentDetail;D=EPA-HQ-ORD-2011-0895-0246>

Previously that same linked text sent you to this page:
